

BBG BULLETIN

Year 7 Learn Life-Saving Skills

Year 7 students took part in an exciting CPR training session, led by volunteers from the NHS and Yorkshire Ambulance Service.

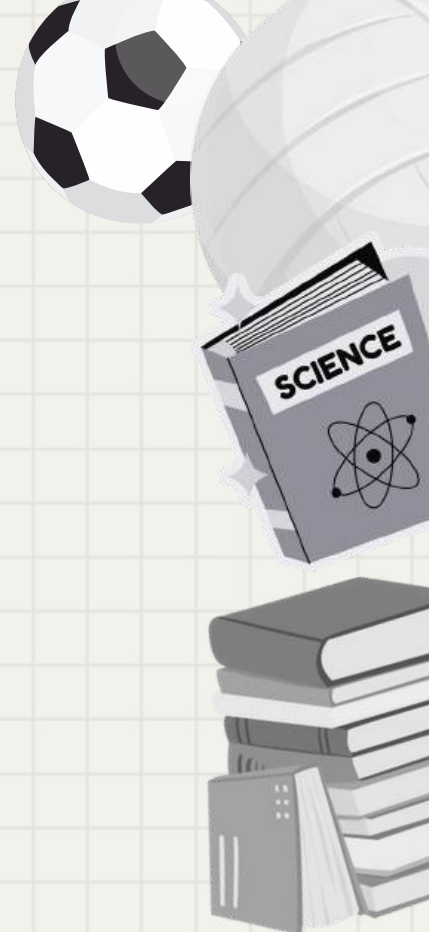

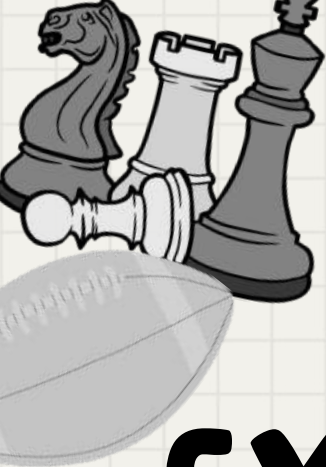

Through hands-on activities, students learned vital life-saving skills that could one day help save someone's life in an emergency. The volunteers were incredibly impressed by the maturity, enthusiasm and excellent manners shown by our students throughout the session.

A huge thank you to our amazing volunteers, Kelly, Charlie, Charlie and Charlotte, for sharing their expertise and inspiring our students.

Well done, Year 7. We are incredibly proud of you!

A special mention goes to Paramedic Charlie Pennington, a former BBG Academy student, who returned to school to support the event. It was wonderful to welcome him back and see him helping the next generation develop such important skills.

ATTENDANCE

★ **WINNER** ★
YEAR GROUP

YEAR 8

95.52%

**WHOLE SCHOOL WEEKLY
ATTENDANCE**

92.89%

As we reach the end of another busy half term, we would like to thank all our students and families for their continued support and commitment to excellent attendance. We hope everyone enjoys a well-deserved, restful break and takes the opportunity to recharge ready for the weeks ahead. We look forward to welcoming all students back to BBG Academy on **Tuesday 3rd November**, refreshed, re-energised, and ready for a successful second half of the term. Enjoy your half term & Happy Halloween!

STUDENTS of THE WEEK

BBG ATTENDANCE TEAM - MRS N DURNALL & MS C HEZLEWOOD

YEAR 11: MOCKS FINISHED. NOW WHAT?

REST • REFLECT • RESET

Your mocks are a checkpoint, not the finish line.

*Same
Effort
Brighter
Future*

REST

Take a few days
to recharge.

You've worked hard over the last two weeks.

- ✓ Sleep well
- ✓ Spend time with family and friends
- ✓ Get outside and be active
- ✓ Enjoy your holiday

Returning refreshed is better
than returning exhausted.

REFLECT

Don't wait for
your results.

You already know:

- ✓ Which subjects went well
- ✓ Which topics felt difficult
- ✓ Which exams challenged you most

Ask yourself:

- What am I proud of?
- What needs improving?
- What should I focus on next?

Mocks provide information,
not a final verdict.

RESET

Keep your brain
ticking over.

This is not the time for 6-hour
revision sessions.

Week 1

**30-60
minutes
per day**

Week 2

**60-90
minutes
per day**

Focus on:

- ✓ Retrieval practice
- ✓ Flashcards
- ✓ Self-quizzing
- ✓ Exam questions
- ✓ Reviewing key knowledge

Little and often beats cramming.

READ EVERY DAY

One of the best things you can
do over the holiday.

- Read a novel
- Read the news
- Read articles
- Read around your subjects

Reading strengthens vocabulary,
comprehension and confidence
across GCSE subjects.

GOING TO FRANCE?

Make the most of every
opportunity.

- ✓ Order food in French
- ✓ Read signs and menus
- ✓ Ask simple questions
- ✓ Practise speaking

Real-world language
practice is invaluable.

LOOK AFTER YOURSELF

After mocks, it is normal to feel:

- Relieved
- Excited
- Nervous
- Disappointed
- Motivated

Remember:

**YOUR MOCK RESULTS DO NOT
DEFINE YOUR GCSE RESULTS.**

What matters most is what you do next.

WHEN WE RETURN...

Come back ready to:

- ✓ Act on feedback
- ✓ Improve weak areas
- ✓ Build good habits
- ✓ Prepare for the final push

**YOUR MOCKS ARE A CHECKPOINT.
NOT A DESTINATION.**

*Strong enough to stand alone.
Wise enough to stand together.*

STUDENT ACHIEVEMENTS

Huge congratulations to two of our Year 9 students, Elisara Afoa-Peterson and Sadie Whitehead who have both been selected to represent West Yorkshire netball this season. They both made it into the Group 1 Performance Development Pathway which is a fantastic achievement! Elisara has also made it into the Manchester Thunder U14 squad, and Sadie the Leeds Rhinos U14 squad.

We can't wait to see how they both get on this season!

STUDENT ACHIEVEMENTS

Congratulations to Ella Brooke and Isla Diskin, who have been selected by Castleford Tigers after standing out from more than 500 girls across the region.

Both students, who play for Dewsbury Moor, have now signed for the Castleford Tigers U14 Performance Pathway, giving them exciting opportunities to develop their skills and progress in rugby league.

A fantastic achievement and one we are incredibly proud of. We wish Ella and Isla every success in their sporting journey!

NETBALL THIS HALF TERM

It's been a busy half term of netball and we are super proud of all our teams for how they've competed!

Y7 have had their first game, representing BBG against Bradford Grammar. They competed brilliantly and came away 8-5 winners, a fantastic start to their netball season! Well done to Annabelle Firth for POM!

Y8 played in the first round of the Sisters N Spot Shield competition, beating Ashville College 35-5, we now play Woodhouse Grove in the next round after HT. Y8 also travelled to Bradford Grammar with Y7, and again walked away comfortable winners, a great start for Y8!

NETBALL THIS HALF TERM

Y9 have also had a great start to the season. In the Sisters N Sport competition they beat Harrogate Grammar in the first round 29-10, and on Wednesday beat Queen Ethelburga's 29-14 to move into the 3rd round. Well done to Elisara Afoa-Peterson for POM in both matches!

They have also won the RMAT local tournament, beaten Prince Henry's and Bradford Grammar - a flying start for our Y9s!

Y10 have had two games so far this season. They played brilliantly in the first round of the Sisters in Sport Shield, narrowly losing to a strong Harrogate Grammar Side. They now enter the bowl and play South Hunsley after half term. They also travelled to Ilkley for a friendly, with some new combinations and some Y9s playing up, they battled right up until the final whistle, just missing out on taking the win!

Finally Y11 have also had two games, a very tense first round shield match which went to golden goal! Unfortunately St John Fisher's just pipped up at the end, and again we enter the bowl! Earlier in the half term we also played a very good Prince Henry's side, and whilst we didn't get the win, we learnt lots and are ready for the season ahead!

APPLIED RESILIENCE

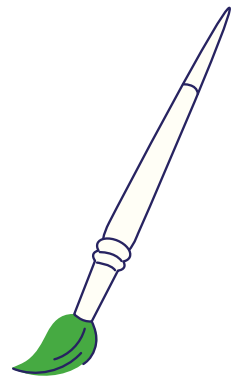

Our Year 8 Art Attack students have been exploring the fascinating world of bugs through a series of observational drawings and paintings. Using careful observation and creative use of colour, they have produced some truly stunning artwork.

The results have been brilliant, showcasing the students' creativity, technical skill and attention to detail. Well done to all involved for their hard work and fantastic outcomes!

ARTISTS

OF THE WEEK

Students in 8.5 have been working with our trainee teacher, Mr Bursey to produce a watercolor study in the style of Abby Diamond, with impressive results! Well done everyone.

**EMILY
TAYLOR**

**BILGE
YIGIT**

**MABEL
HAIGH**

**MADDIE
WISEMAN**

DESIGN

AS WE REACH THE END OF THE HALF TERM, YEAR 8 STUDENTS HAVE COMPLETED THEIR FIRST DESIGN ROTATION OF THE ACADEMIC YEAR. STUDENTS IN 3D DESIGN HAVE BEEN WORKING WITH COPPER, AND LEARNING THE SKILL OF ENAMELLING, WITH SOME SUPER PIECES OF JEWELLERY MADE. STUDENTS WILL ROTATE TO THEIR NEW DESIGN CLASSES AFTER OUR HALF TERM BREAK.

COMPUTING

Our Year 10 and Year 11 Creative iMedia students have been busy developing their digital design skills using Adobe Photoshop.

Over recent lessons, students have been exploring a range of professional image-editing techniques, including clipping, blending, blurring, sharpening, smudging, dodging, burning and using the sponge tool.

These techniques allow students to manipulate images, combine photographs, adjust lighting and colour, and create increasingly realistic and professional-looking digital graphics.

Students have been learning not just how to use each tool, but also when and why to use it, developing their creativity, accuracy and attention to detail.

Year 10:
Danny Booker
Frankie -Jack Ratcliffe
Harry Hall
Alfie Lenehan

Year 11:
Evan Hirstwood
Sam Avison
Harry Battensby

BUSINESS

Year 9

Year 9 students are currently exploring the world of subscription boxes, researching products that are already available to buy. Through their internet research, they are investigating current trends, identifying popular subscription boxes and comparing average price points. They will use their findings to consider whether there are any gaps in the market and opportunities for a new business idea.

Year 10

Year 10 have made a magnificent start to the academic year! They have recently focused on market research, with students conducting their own focus groups to identify the positives and negatives of different biscuits currently available on the market. This practical activity encouraged students to share their opinions, listen to feedback and understand how businesses can use customer research to improve their products.

Year 11

Our Year 11 Option students have also made a fantastic start to the course.

They have covered enterprise and entrepreneurship, explored how to spot a business opportunity, and begun looking at how to put a business idea into practice.

Their recent market research activities have included conducting focus groups to evaluate a selection of biscuits, considering the strengths and weaknesses of each product. The students debated their findings brilliantly, although one important question remains unresolved: which biscuit came out on top—the Oreo or the good old classic chocolate digestive? The debate continues!

The Year 11 two-year students are making good progress through Theme 2 and have been exploring how businesses grow.

Students are developing their understanding of the opportunities and challenges businesses face as they grow, while considering how important financial decisions can influence future success.

BOOKS OF THE MONTH

YEARS 7 AND 8

Late one night, three otherworldly creatures appear and sweep Meg Murry, her brother Charles Wallace, and their friend Calvin O'Keefe away on a mission to save Mr. Murry, who has gone missing while doing top-secret work for the government.

They travel via tesseract — a wrinkle that transports one across space and time — to the planet Camazotz, where Mr. Murry is being held captive. There they discover a dark force that threatens not only Mr. Murry but the safety of the whole universe.

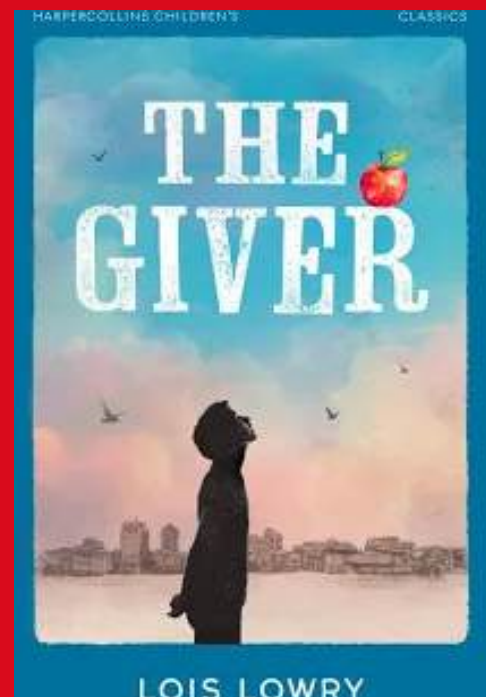

YEARS 9 AND 10

It is the future. There is no war, no hunger, no pain. No one in the community wants for anything.

Everything needed is provided. And at twelve years old, each member of the community has their profession carefully chosen for them by the Committee of Elders.

Twelve-year old Jonas has never thought there was anything wrong with his world. But from the moment he is selected as the Receiver of Memory, Jonas discovers that their community is not as perfect as it seems.

It is only with the help of the Giver, that Jonas can find what has been lost. And it is only through his personal courage that Jonas finds the strength to do what is right...

ENGLISH

READ • KNOW • LEARN

STUDENT OF THE WEEK KS3

Hollie Firth

Hollie consistently demonstrates a positive attitude towards her learning, willingly shares her ideas and work, and is always happy to support and encourage her peers.

STUDENT OF THE WEEK KS4

Noah Durkin Smith

Noah consistently demonstrates kindness and positivity in everything he does. He is a hardworking and respectful member of the class.

What are we learning this half term in French?

Year 7 : How to describe a thing or a person, saying what people have, describing what people have, distinguishing between 'having' and 'being'.

Year 8 : Talking about what there is and isn't, describing things and people, revision for Year 8 Assessment Week

Year 9 : Talking about life at school, daily life, the natural world, what you love doing, your life online, your hobbies and why you like them and what you find stressful.

Year 10 : GCSE Unit 5: 'Customs, festivals and celebrations'

Year 11 : Revisiting GCSE Unit 3: 'Education and Work' and preparation for mock exams in October

Vignobles en Scène (16 - 18 Oct)

In October, Vignobles en Scène invites lovers of wine, culture, and heritage to gather for three days of exploration. It's an opportunity to (re)discover the richness of France's vineyards, meet the passionate people behind the wines, and offers a fresh and inspiring way to experience France's wine routes - from Alsace to Bordeaux, via Champagne.

Over the course of a weekend, participating destinations offer a multitude of activities for all audiences: tastings and food and wine pairings, meetings with chefs and artisans of taste, walks through the vineyards, sensory workshops, concerts, shows, exhibitions, screenings... A complete experience to discover the vineyard in a different way!

ÉTUDIANTS DE LA SEMAINE

Mrs Storr

Aleesha Dos Ferreira Y7: For making an excellent start to French at BBG Academy

Arvind Heer Y7: Always striving for excellence in lesson and with homework, bravo!

Mrs Clough

Kayden Stuart and Arthur Thompson Y11: For fantastic voluntary attendance at French speaking club this term

Miss Sparrow

Theodore Ward and Ella Robinson Y9: For consistently applying themselves over this half term and showing excellent retention of grammar and vocab.

félicitations à tous!

History

This week our Year 8 historians have been examining the impacts of the British Empire on its colonies from around the world. Students have been learning topics such as imperialism, the East India Company, the British Raj, and the Scramble for Africa. In today's age, it's important to be aware of Britain's impact on the wider world, that the empire's actions had far reaching consequences, and that, whilst they did bring us closer to the global community these weren't always positive.

Students of the Week

Lexi Emmott: Strong assessment result, and always getting involved in lessons

Austin Wright: Becoming more confident in every lesson

Olivia Crowth: Showing great improvement in History

Maths support every Wednesday at Homework Club.

Any questions see your Maths teacher.

SCIENCE

Our Year 8 students have been putting their scientific skills to the test as they reach the end of their unit on acids and alkalis.

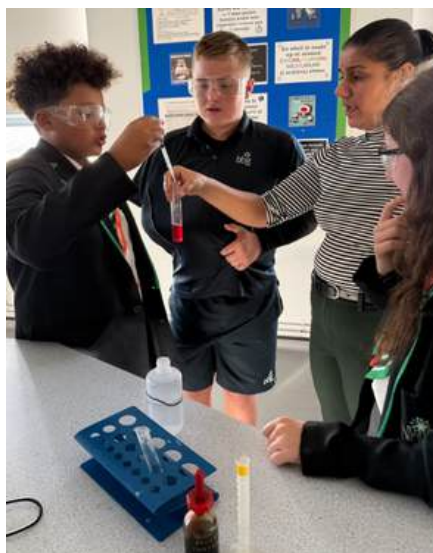

Throughout the topic, students have developed their understanding of the properties of acids and alkalis and learned how scientists use indicators to identify different substances.

In a recent practical lesson, students investigated a range of solutions using indicators to determine whether they were acidic, alkaline, or neutral.

Using spotting tiles and boiling tubes, students carefully added samples and observed the colour changes produced by the indicators. These provided a clear visual record of their results, allowing students to compare substances. The practical work helped reinforce key scientific concepts while developing important laboratory skills such as observation, recording results, and working safely.

The enthusiasm shown by Year 8 during these investigations has been fantastic. Students demonstrated excellent teamwork and attention to detail, making thoughtful predictions and drawing conclusions from the evidence they collected.

The results showcase the colourful results of their investigations and highlight the excellent practical work taking place in Science lessons. Well done to all Year 8 students for their hard work and curiosity throughout the unit!

EXTRA-CURRICULAR HIGHLIGHTS

Results:

BBG 14-6 Saledine Nook

Tries: Jarrett, Firth,
Blackshaw

Con: Jarrett

BBG 16-4 Newsome

Tries: Firth, Blackshaw,
Jarrett

Con: Jarrett, Bedford

The Y9s booked their place in the Rugby League Yorkshire Cup after progressing through the qualifying stages unbeaten. In a wet and windy outing, BBG saw off the challenges of Saledine Nook and Newsome to top their group.

#TEAMBBG

EXTRA-CURRICULAR HIGHLIGHTS

The girls' football team got their season off to a fantastic start this week, playing their first fixture at home against Castle Hall. In an exciting and closely contested match, the teams shared the points with a well-deserved 2-2 draw.

Our girls played brilliantly throughout, showing excellent teamwork, determination and resilience. It was wonderful to see such strong support from families and friends on the sidelines, whose encouragement helped create a fantastic atmosphere. Well done to all the players for representing BBG Academy so positively, and we look forward to seeing what the team achieves this season.

VALUES

CHANGES TO STATUTORY CURRICULUM

As you may be aware, in July the government published new statutory guidance for the teaching of Relationships and sex education (RSE) and health education.

Our Values curriculum is in the process of being updated to accommodate these changes and to ensure that students are taught the statutory content in an age-appropriate manner.

The new guidance can be found on the DfE website; a link has also been placed at the end of this article.

In light of these changes our RSE policy will also be reviewed and any necessary changes implemented. A copy of this can be found on the school website.

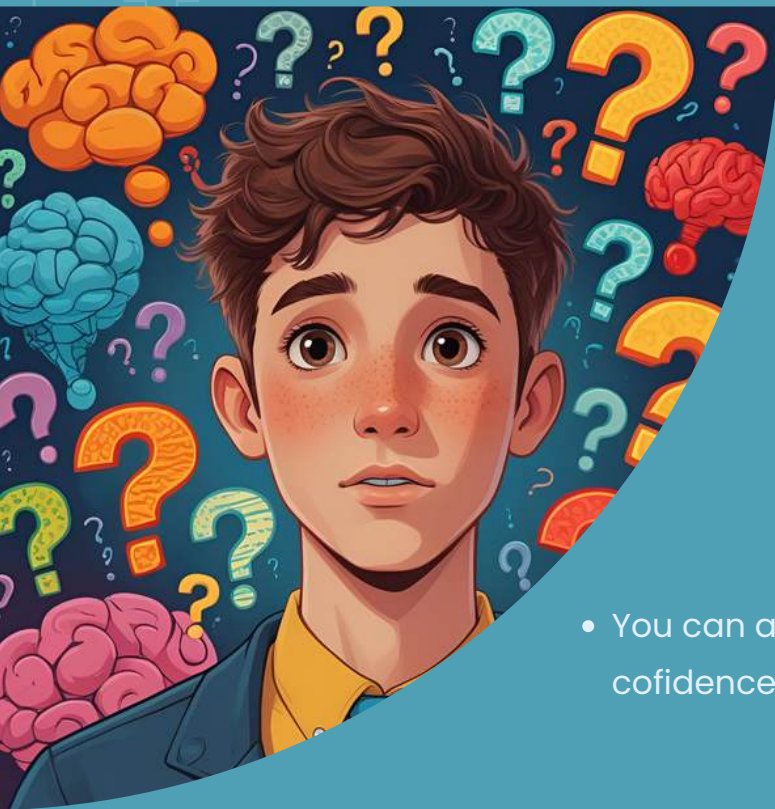

[Relationships Education, Relationships and Sex Education and Health Education guidance](#)

MRS BETTNEY'S

BIG QUESTIONS

YOUR QUESTIONS MATTER

- Do you ever have a question that you are too afraid to ask in your Values class?
- Are you worried about friendships, relationships, vaping, alcohol, drugs, intimate health?
- You can ask all of the questions that you have in confidence that no-one will know it was you.
- **Post questions on Mrs Bettney's big questions on your tutor group teams page**

ENGLISH

READ • KNOW • LEARN

The BBG Bookcase recommendations for children to read and make progress when reading. Statistically students that read independently do better at school. Please encourage your children of all ages to continue reading daily – 10 minutes before bedtime as a minimum will make all the difference.

NB for parents/carers: Please check online reviews if you have any queries about the suitability of a book before your child reads it.

Careers in Leeds

Tuesday 3 November 2026

Leeds First Direct Arena

This year marks the launch of a **new, city-wide careers, jobs, and training fair**, offering a refreshed approach to bringing opportunities and talent together across Leeds and the wider region.

For the first time, we are combining three major events into one ambitious, inclusive offer:

- Leeds Digital Careers Fair
- Leeds Creative Skills Festival
- SEND Next Choice Event

By combining these events, Careers in Leeds creates a city-wide showcase of opportunity, allowing visitors to explore the breadth of careers, sectors and pathways available across Leeds and the wider region - all in one place.

A sector-focused experience

The event will shine a spotlight on the wide variety of sectors represented across Leeds, helping visitors discover career paths they may never have considered. By bringing so many different worlds of work together under one roof, we will make it easy to explore what's out there and find the opportunities that inspire.

NEXT GEN

Choices Fair for 14-16 yr olds
6 October 2026
9am-7pm

Where:

Events North, 98 Kirkstall Road, Leeds, LS3 1HJ

Welcome to Next Gen, the choices fair showcasing the wealth of opportunities open to young people following their GCSEs.

With FE Colleges, sixth form colleges and apprenticeship providers, plus training companies and employers all under one roof, this is an essential event for young people considering their next steps.

TRAINING CAVE

After School Youth Programme

Training Cave is a not-for-profit boxing gym, based in Kirklees, who deliver free boxing and education programmes to children and young people in our community.

We are currently running a new After School Youth Programme, enabling us to continue supporting children and young people in our community by providing a safe environment after school, keeping them off the streets and away from negative influences.

This programme is **free** to attend and suitable for children and young people, (6- 18), who are interested in boxing but struggle in large group settings, are vulnerable to negative influences or face financial barriers to sports.

Tuesdays 5pm - 5:45pm

Fridays 5pm - 5:45pm

Participants will attend a six week block of small group training to build confidence, before graduating to our timetabled classes on a referral basis. If participants do not feel ready to move on, they can continue attending our small group After School Youth Programme until they do.

If you are the parent or guardian of a child or young person who could benefit from this programme, (aged 6-18), please email **info@trainingcave.co.uk** to request a registration form.

Fraudsters are clever, but you're smarter

Suspect a scam message?

Slow down
Think it through
Overcheck
Pass it by someone you trust

General signs of a scam are:

- If It's too good to be true, then it probably is!
- Act now! - pressure or urgency to share details
- An unfamiliar company or logo
- Unusual URL links e.g. bit/inst123
- Misspelt words

3 Steps to protect your personal information

Organisations who help victims

- Your bank (they never ask you to share passwords or one-time passcodes)
- Your mobile phone provider
- 'Report Fraud' is the website for reporting all fraud to the police
- Cifas (offers a Protective Registration for victims of fraud for a fee)
- Victim Support

1

Use a strong password
Short phrase or three random words. Mix letters, characters and numbers

2

Use different passwords
Fraudsters try using stolen passwords across different accounts.

3

Set up multi factor authentication
Secure accounts with biometrics and a passcode sent via an email or text
